Mr. Whitis,

We are in the process of obtaining all of the items you have requested for our application. While you have originally asked that we have all our information in to you by November 1, 1999, we are hereby requesting an extension of such due date until the end of the month. We are awaiting clearance from our financial supporters to provide your office with such information. Once we have received such authorization and completed our supplementary pre-file testimony, we will send everything to your attention.

Thank you for your help in this matter and call me if you have any questions.

Sincerely,
